

## ENRICHMENT PROGRAM AGES 3-5

The Early Childhood Enrichment Program for children ages 3–5 is filled with activities children love: music and movement, art, science, stories, imaginative indoor play and outdoor games, including sprinkler fun. All activities are presented to the children through an innovative thematic approach. Mid-morning snacks and outdoor play are a part of each day’s schedule.

### My Big Backyard

Session 1:            June 28–July 16            9:00–noon            \$745  
*No Camp on Monday, July 5*

The world is full of amazing living things, many of which live right in our own backyard! Together, we’ll learn about the flowers and plants, animals, and insects that are native to our community. It will be fun to discover what a plant needs to grow and then to plant our own little backyard garden! We’ll go on an insect hunt and find out about the habits of the bugs and animals that live right here in Bronxville. There are lots of fun backyard games and songs to sing which we can share with our families. Let’s have an adventure in our own Big Backyard!

### The Great Southwest

Session 2:            July 19–August 7            9:00–noon            \$795

Let’s take an exciting journey to the great Southwest and explore the beautiful desert landscape, the weather, the cactus, and critters that make this place unique. We’ll learn about Native American cultures and construct our own native dwellings, make woven baskets and pottery and eat foods that Native Americans still grow, such as maize (corn), beans, tomatoes, and berries. We’ll dance to native drumming and music. Then we’ll visit the Grand Canyon, one of our nation’s great wonders, filled with awesome landforms and natural beauty. Come join us as we travel cross-country to explore the great Southwest!

### Early Childhood Extended Day

Session 1:            June 28–July 16            noon–2:00            \$500  
*No Camp on Monday, July 5*  
 Session 2:            July 19–August 7            noon–2:00            \$525

In addition to the Morning Enrichment Program, we are pleased to offer an Extended Day Program from noon–2:00pm. The Extended Day Program begins at noon with a supervised lunch. A menu with dates will be sent home. At 12:45, the children will participate in art activities building on their learning experiences from the Morning Enrichment Program. They will also enjoy outdoor organized games and free play, allowing them to develop their large motor skills. **This program is only offered to those children who participate in the Morning Enrichment Program.**

*Please be aware of the following:*

- Children will be grouped according to their birthdays.
- Children **MUST** have completed one year of Nursery School
- Children **MUST** be toilet trained and **MUST** be three years old by June 1, 2010

Any special requests for children to be in the same group as friends, must be made at the time of registration.
