Back by popular demand! Day Trip Adventures Camp was introduced last summer as a very successful extension to our regular camp season. For 2010, campers grades 2–9 can attend one or two weeks of exciting and fun travel adventures. Together we will tour the new Yankee Stadium, try rock climbing at Sportime USA, take an exciting journey on the Hudson River Clearwater, go-under-the-sea at the Norwalk Aquarium, learn about Native Americans at the Smithsonian Museum of the American Indian (in NY), and much more!

Campers will be supervised by a NYS certified teacher and Concordia counselors.

Lunch: Sandwiches, snacks & drinks will be provided daily, including a pizza party at Sportime USA!

Harris Transport will provide air-conditioned yellow school buses with certified drivers to all our destinations.

Join us for a memorable and fun time at Day Trip Adventures Camp!

All admissions, lunches, snacks, and transportation are included in the weekly fee of \$500 per camper! The fee for two weeks is \$1,000.0 per camper; sibling discounts are available!
